

# MODify Gondola Kit 01

MODify™ is a one-of-a-kind Modular Merchandising System that is made up of interchangeable fixtures and accessories that can be easily assembled, disassembled, and rearranged to create a variety of different display configurations. The MODify system incorporates SEG push-fit fabric graphics that enable you to brand, promote and merchandise with ease.

MODify Gondola Kit 01 is a merchandising mecca that is versatile and durable. The easy-to-assemble base kit features eight push-fit graphic panels and a double-sided slatwall panel. This kit provides the flexibility to MODify with optional shelving, hooks, and other fixtures to create an attractive and functional retail display.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications

## features and benefits:

Base Kit includes:

- Frame, slatwall, shelf and base colors in kit are all the same, your choice of all white, black, or silver
- Heavy-duty aluminum frame, steel base
- Steel, slotted uprights
- Five frames: two ends, two center, one header
- 35"W x 57"H (full height) slatwall on front & back
- End caps each hold a 35"W x 57"H SEG push-fit fabric graphic, black liners on inside
- Two 35"W x 57"H push-fit fabric graphics on inside of display
- Frame topper with 59"W x 12"H SEG push-fit graphic, one on each side
- Non-rolling base
- Display is easy to assemble and install
- Lifetime hardware warranty against manufacturer defects

Optional Accessories Include:

- Towel bars.
- Faceout bars
- Waterfalls
- U bars
- Slatwall hooks
- Shelves

## dimensions:

### Hardware

Assembled unit:

76.5"W x 72"H x 37.5"D  
1943.1mm(w) x 1828.8mm(h) x 952.5mm(d)

Approximate Weight:  
202 lbs / 91.6257 kg

### Shipping

Packing case(s):  
1 Box

Shipping dimensions:  
(62" L x 24" H x 24" D)  
1574.8mm(l) x 609.6mm(h) x 609.6mm(d)

Approximate shipping weight:  
279 lbs / 126.552 kg

### Graphics

Graphic material: Dye-sublimated fabric

(INCLUDED)

PHILLIPS SCREW DRIVER  
(NOT INCLUDED)

9/16" SOCKET WRENCH  
(NOT INCLUDED)

## How to Apply & Remove Graphics

Installation and removal of SEG graphics is easy!

**Installation:** Push the SEG bead into each corner of the frame (1-4) with your thumb, then push the SEG bead into the middle of the run (5-8) and work your way around the perimeter of the frame until all beading is pushed in properly; if necessary, go around the perimeter again to ensure beading is secure in the extrusion profile.

**Note:** Keep the set up area clean by using a drop cloth, washing hands before set-up or by wearing gloves.

**Removal:** Use the pull tab located on the graphic and gently pull the graphic from the frame, going around the perimeter.

## Graphics Storage & Care

Graphics should be folded with the graphic facing inward and stored in a zip lock /sealable plastic bag. Spot clean by wiping with a damp white cloth. If washing is necessary, use a commercial size front-loading washing machine, gentle cycle with cool water. Line dry flat. Dry cleaning is NOT recommended to prevent shrinkage.
